

Internet Use Policy

1. **No offensive or inappropriate material**

I will not use web pages, videos, images, files, newsgroups, chat groups and games that contain offensive or inappropriate material as determined by the College.

2. **Polite and appropriate language**

I will not abuse, harass or use obscene language on the network or internet. I will report any findings to my teacher or the IT staff.

3. **Honesty**

I will not download or redistribute unauthorised copyright software, games, music, graphics, videos or text. I will list internet material I use for my assignments in bibliographies and not pass it off as my own. I will treat College equipment with care and consideration for others' needs.

4. **Privacy**

I will not reveal or use personal information such as names, addresses, phone numbers or passwords unless instructed to do so by the College.

I will not distribute private pictures or videos of students or staff without permission from all parties involved.

5. **Security**

If I have a personal device with a Windows operating system, I will ensure that it has a working and compatible Antivirus on it.

Compatible AV's are:

- Windows Defender – Recommended
- AVG
- Trend Micro
- Norton

6. **Penalties**

If I break these rules, I will be denied access to the school network, and may face further penalties.
